KANSAS CITY POWER & LIGHT COMPANY'S STATUS REPORT

Comes now Kansas City Power & Light Company ("KCPL"), pursuant to 4 CSR 240-2.080, and the Missouri Public Service Commission's ("Commission") May 14, 2003 Order Granting Intervention and Directing Filing, states:

1. In its May 14, 2003 Order Granting Intervention and Directing Filing, the Commission directed the parties to this case, jointly or separately, to "file a pleading not later than June 25, 2003, which sets out the posture of this case at that time."¹

2. KCPL filed its Application to Intervene in this matter on December 31, 2002. Although the Regulatory Law Judge stated during the prehearing conference held on January 3, 2003, that all applicants would be granted the right to intervene (Tr. 4), the Order Granting Intervention and Directing Filing did not specifically list KCPL among the parties granted intervention. KCPL would respectfully request that its status as an intervenor in this matter be clarified, and/or granted.

3. For its status report, KCPL states that its participation in this case has been limited to monitoring the developments in the case and KCPL has not taken an active role to date.

¹ Order Granting Intervention and Directing Filing, p. 2.

Respectfully submitted,
