In the Matter of Union Electric Company d/b/a AmerenUE for Authority to File Tariffs Increasing Rates for Electric Service Provided to Customers in the Company's Missouri Service Area.

Case No. ER-2007-0002

MOTION FOR EXPEDITED TREATMENT AND APPROVAL OF TARIFF SHEETS FILED IN COMPLIANCE WITH COMMISSION ORDER

COMES NOW Union Electric Company, d/b/a AmerenUE ("AmerenUE" or

"Company"), and pursuant to the Commission's Order Denying Applications for Rehearing, Granting Clarification, and Correcting Order Nunc Pro Tunc in the above-captioned case issued June 28, 2007 (the "Order on Rehearing") and 4 CSR 240-2.080(16), hereby files its Motion for Expedited Treatment and Approval of Tariff Sheets Filed in Compliance with Commission Order. In support of its Motion, AmerenUE states as follows:

1. On May 22, 2007, the Commission issued the Report and Order in this proceeding, to be effective on June 1, 2007. Among other things, the Report and Order authorized AmerenUE to file tariffs complying with the Report and Order and to do so by May 28, 2007. Ordered ¶¶ 2-3. AmerenUE filed compliance tariffs which were approved by the Commission in an order issued on May 31, 2007. Also on May 31, 2007, AmerenUE filed an Application for Rehearing, Motion for Clarification and For Correction of Order Nunc Pro Tunc. Among other things, AmerenUE requested clarification as to what net salvage percents were to be applied to four specific plant accounts (Accounts 321-325) for purposes of calculating depreciation rates.

2. On June 28, 2007, the Commission issued its Order on Rehearing specifying the net salvage percents to be used in calculating the depreciation rates for the four accounts. The

1

Order on Rehearing authorized AmerenUE to file revised tariffs reflecting the revenue requirement change caused by using the net salvage percents specified by the Commission. Earlier today, AmerenUE caused to be filed with the Commission revised tariff sheets which adjust AmerenUE's rates to effectuate the clarification made by the Commission in its Order on Rehearing. Those revised tariff sheets bear an issue date of July 6, 2007, with an effective date 30 days later, on August 5, 2007. AmerenUE is hereby requesting that the Commission permit these tariffs to take effect on July 23, 2007, the date that AmerenUE's billing system is able to apply the revision, pro rata, to customers' bills.

3. Section 393.140(11), RSMo. specifies that, unless the Commission orders otherwise, a change shall not be made to any rate filed by an electrical corporation except after thirty days' notice to the Commission and publication for thirty days as required by order of the Commission. However, Section 393.140(11) expressly provides that, for good cause shown, the Commission may allow tariff changes without requiring thirty days' notice. Good cause exists to make the Company's compliance tariffs effective on July 23, 2007 because the Commission has already found that AmerenUE's rates should be adjusted to reflect the net salvage percents as clarified in its Order on Rehearing, and the Commission has already authorized the Company to file the tariffs to reflect this adjustment.

4. As provided for in 4 CSR 240.2.080(16), the Company desires the Commission to approve the compliance tariffs so that they may take effect on July 23, 2007, and the Commission, as noted earlier, has good cause to do so. Furthermore, the Company states that by doing so, the Commission will avoid the harm that would be caused by failing to timely allow rates determined to have been just and reasonable to take effect. Moreover, there can be no negative effect on anyone – ratepayers or the Company – if the compliance tariffs are timely

approved to be effective on July 23, 2007 so that rates determined by this Commission to be just and reasonable rates are in fact charged for the electric service provided by the Company. This Motion was filed as soon as it could have been under the circumstances – almost immediately after AmerenUE's rates were recalculated and the compliance tariffs could be prepared for filing.

WHEREFORE, for the foregoing reasons and for good cause shown, AmerenUE respectfully requests that the Commission grant this Motion for Expedited Consideration and Approval of Tariff Sheets filed in Compliance with Commission Order and approve the revised tariff sheets AmerenUE has filed on this date to be effective for service rendered on and after July 23, 2007.

Respectfully submitted,
