**SUGGESTION OF BANKRUPTCY,
NOTICE OF STAY,
AND NOTICE OF EXTENSIONS UNDER 11 U.S.C. §108**

Plaintiff Halo Wireless, Inc. ("Halo") hereby files its Suggestion of Bankruptcy.

1. On August 8, 2011, Halo filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the Eastern District of Texas (Sherman Division). A copy of the Petition for Relief is attached hereto as Exhibit "A" and incorporated herein by reference for all purposes.

2. Pursuant to Section 362 of the Bankruptcy Code, the filing of the Petition operates as a stay of:

- a. The commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other proceeding against the Debtor that was or could have been commenced before the commencement of the case under this Title, or to recover a claim against the Debtor that arose before the commencement of the case under this Title;

- b. The enforcement, against the Debtor or against property of the estate, of a judgment obtained before the commencement of the case under this Title;
- c. Any act to obtain possession of property of the estate or property from the estate;
- d. Any act to create, perfect, or enforce any lien against property of the estate;
- e. Any act to create, perfect, or enforce against property of the Debtor any lien to the extent that such lien secures a claim that arose before the commencement of the case under this Title, except to the extent provided in section 362(b);
- f. Any act to collect assets, or recover a claim against the Debtor that arose before the commencement of the case under this title;
- g. The set off of any debt owing to the Debtor that arose before the commencement of the case under this Title against any claim against the Debtor; and
- h. The commencement or continuation of a proceeding before the United States Tax Court concerning the Debtor.

3. Pursuant to 11 U.S.C. § 362, the automatic stay is now in place. The complainants in the above referenced judicial proceeding seek rejection of portions of an interconnection agreement between the Debtor and Southwestern Bell Telephone Company, dba AT&T Missouri ("AT&T"). The Complainants' claims for relief against the Debtor and AT&T are inherently related and inextricably intertwined because all of the claims seek to reject the provisions of the same contract between the Debtor and AT&T and relate to the same traffic passing through Halo and AT&T. Thus, any attempt to proceed in the instant matter to reach a determination or adjudication of facts regarding any of the complainants' claims for relief constitutes a proceeding against the Debtor in violation of 11 U.S.C. § 362. Accordingly, pursuant to the provisions of 11 U.S.C. § 362, the automatic stay prohibits further action against both the Debtor and AT&T in the instant proceeding.

4. In addition, pursuant to Section 108 of the Bankruptcy Code, the filing of the Petition operates to extend the period within which the Debtor may, among other things, file any pleading, commence an action, cure a default, or perform any other similar act fixed by non-bankruptcy law, an order entered in a non-bankruptcy proceeding, or an agreement, if such deadline has not expired prior to the filing of the Petition.

Dated this 12th day of August, 2011.

Respectfully submitted,

STEVEN H. THOMAS (TX Bar No. 19868890)
