NOTICE

On July 11, 1995 the Commission issued an order in the above-referenced case. This order was captioned Order Approving Sale and Transfer of Assets and Granting Certificate of Service Authority. The order granted authority for GTE Midwest Incorporated (GTE) to sell and transfer a part of GTE's franchise and facilities to an approved purchaser, Cass County Telephone Company (Cass). Cass filed the requisite tariffs, and those tariffs have been approved by the Commission.

In this case a Motion for Additional Time to File Modernization Plan has been filed with the Commission. This Motion cannot be properly addressed in this case and should be filed in the Commission's modernization case, Case No. TO-93-309. In the alternative, inasmuch as the Motion for Additional Time to File Modernization Plan requested an extension to June 30, 1996, Cass may file its modernization plan, and not the motion for additional time, in Case No. TO-93-309.

Therefore, the Commission finds no further action is necessary
in the above-referenced case and this case may now be closed.
