To Provide Competitive Intrastate)
Telecommunications Services in)
Missouri)

Missouri Public
Service Commission

Case No. TA-2000-259

**MOTION FOR EXTENSION OF TIME TO
RESPOND TO COMMISSION ORDER**

Comes now Intercontinental Communications Group, Inc. d/b/a Fusion-Trucker Phone (Fusion) and for its above-entitled motion states the following to the Commission:

1. On September 29, 1999, Fusion filed its application requesting a certificate of service authority to provide intrastate interexchange telecommunications services in the state of Missouri.
2. On October 14, 1999, the Commission entered a Notice of Deficiency in which it advised of an inconsistency between the application and the tariffs accompanying it. The Commission further directed Fusion to file an amended pleading or substitute tariff sheets correcting the inconsistency by October 25, 1999.
3. Since the entry of the Notice of Deficiency, Fusion has contacted the Commission Staff concerning the discrepancy between the application and the proposed tariffs and Fusion will prepare and file substitute tariffs which should completely resolve the matter. Fusion needs additional time to file those tariffs.
4. Fusion needs an additional 4 days, up to and including October 29, 1999 within which to file the substitute tariff sheets. The tariffs have been prepared and have been mailed to undersigned counsel and are expected to arrive in the next two days. The additional time is

5

requested not for purposes of delay or inconvenience to the Commission but rather on account of conditions that are excusable. No party will be prejudiced by the extension of time.

WHEREFORE, Fusion respectfully requests the Commission to extend the time within which to file substitute tariffs in response to the Notice of Deficiency for four days, up to and including October 29, 1999.

Respectfully submitted,

By:
