Missouri Public  
Service Commission

Staff of the Missouri Public  
Service Commission,

Complainant,

vs

Union Electric Company,  
d/b/a AmerenUE,

Respondent.

Case No. EC-2002-1

**KANSAS CITY POWER & LIGHT COMPANY'S  
RESPONSE TO ORDER DIRECTING FILING AND SHORTENING RESPONSE TIME**

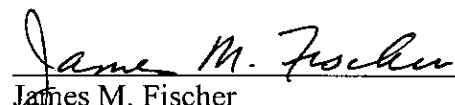

COMES NOW Kansas City Power & Light Company (hereinafter "KCPL"), pursuant to 4 CSR 240-2.080, and to the Commission's Order Directing Filing And Shortening Response Time, issued on December 28, 2001, states as follows:

1. On December 28, 2001, the Commission issued its Order Directing Filing And Shortening Response Time ("December 28, 2001 Order") in which it directed every intervenor to "file a pleading in opposition to or in support of the proposed procedural schedule jointly filed on December 26, 2001, by the Commission Staff and Ameren UE." This pleading is intended to comply with the Commission's December 28, 2001 Order.

2. KCPL states that it neither supports nor opposes the proposed procedural schedule jointly filed by the Commission Staff and Ameren UE on December 26, 2001. However, KCPL believes that the list of intervenors in the Staff and Union Electric's Joint Stipulation filed on December 26, 2001, may have inadvertently failed to include KCPL as an intervenor that would

have the opportunity to file rebuttal and cross-surrebuttal testimony on May 17, 2002, and June 24, 2002, respectively. KCPL would request that any procedural schedule adopted by the Commission provide KCPL, as well as other intervenors, the opportunity to file rebuttal and cross-surrebuttal testimony, if necessary.

Respectfully submitted,

  
James M. Fischer #27543
