RE: Case No. EC-2002-1 -- Staff of the Missouri Public Service Commission, Complainant, v.
Union Electric Company, d/b/a AmerenUE, Respondent

Dear Mr. Roberts:

Yesterday, I caused to be filed in the above-captioned case the Staff Response To Commission's January 8, 2002 Order Directing Filing Response Regarding Discovery. In one of the paragraphs in that pleading, I indicated that unless otherwise advised, the Staff would file with the Commission this date the open public transcripts from a Federal Energy Regulatory Commission (FERC) Williams Natural Gas Company pipeline rate proceeding, Docket No. RP94-365-000, wherein a discovery dispute was addressed respecting documents that were claimed to be protected by attorney-client privilege and/or attorney work product doctrine. It is my understanding that based upon the Commission's Agenda session this morning, where this matter was discussed, the Staff is instructed not to file these transcripts with the Commission.

If my understanding is not correct on this matter, it is my expectation that you will advise me.

Thank you.

Very truly yours,

Steven Dottheim
