**MOTION TO SHORTEN TIME FOR  
RESPONSES TO DATA REQUESTS**

COMES NOW Folsom Ridge LLC and Big Island Homeowners Water and Sewer Association, Inc. (sometimes collectively referred to as “Applicants”) and pursuant to Rules 4 CSR 240-2.015 and 2.090 (2) request the Commission to shorten the time for all parties to respond to data requests. In support thereof, Applicants state the following:

1. Interveners were given party status on February 7, 2007 and the hearing is scheduled to commence on February 28, 2007. Normally parties are allowed ten (10) days to object to data requests after service and twenty (20) days to respond to data requests after service pursuant to 4 CSR 240-2.090 (2).

2. Given that time is at a premium to hearing, Applicants submit that in the interest of fairness and justice, and otherwise for good cause appearing, the time period for answering data requests should be shortened to ten (10) days after service and that the time limit for objecting to data requests should be shortened to five (5) days after service.

WHEREFORE, Applicants request that the Commission issue its order modifying the time limits for responding and objecting to data requests for the remainder of the case in the

manner described in the foregoing, and for such other and further relief as the Commission deems just and appropriate.

Respectfully submitted,
