ORDER CANCELING CERTIFICATE

Issue Date: February 16, 2006

Effective Date: February 23, 2006

On February 14, 2006, the Staff of the Commission filed a motion asking the Commission to cancel the certificates of service authority of CI2, Inc., a company that has been authorized by the Commission to offer basic local services, limited to exchanges served by certain large incumbent local telecommunications companies.

In Case Number TA-2001-513, the Commission granted CI2, Inc. a certificate of service authority to provide basic local telecommunications services. CI2, Inc. never filed a tariff to provide those services. CI2, Inc. also failed to file its annual registration report according to the Missouri Secretary of State's office, and its authority to do business in the state of Missouri was revoked September 14, 2005.

Staff's motion states that it has received a letter from the president of CI2, Inc. indicating that it "is not operating as a CLEC in Missouri" and "no longer wishes to maintain its CLEC certification in the State of Missouri." Staff

recommends that the Commission cancel the company's certificate of service authority to provide basic local exchange telecommunications services.

The Commission has the authority to cancel a certificate pursuant to Section 392.410.5, RSMo, which states, in part, "any certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

Based on Staff's motion, the statement of the certificate holder included in that motion, and on CI2, Inc.'s request to cancel the certificate, the Commission finds that the certificate of service authority granted to CI2, Inc., should be canceled.

IT IS ORDERED THAT:

1. The certificates of authority to provide basic local exchange telecommunications services, granted to CI2, Inc., in Case Number TA-2001-513, is canceled.
2. This order shall become effective on February 23, 2006.
3. This case may be closed on February 24, 2006.
