OF THE STATE OF MISSOURI

In the Matter of the Cancellation of the)
Certificate of Service Authority and)
Accompanying Tariff of Basicphone, Inc.)
Case No. CD-2006-0404

ORDER CANCELING CERTIFICATE

Issue Date: April 20, 2006

Effective Date: April 30, 2006

On April 14, 2006, the Staff of the Commission filed a motion asking the Commission to cancel the certificate of service authority of Basicphone, Inc., a company that has been authorized to offer basic local and local exchange telecommunications services by the Commission.

In Case Number TA-2000-107, the Commission granted Basicphone a certificate to provide basic local and local exchange telecommunications services. Basicphone never filed a tariff to provide those services.

Staff's motion states that Basicphone indicated in its 2005 Annual Report and its confidential Statement of Revenue that it is no longer in business. Furthermore, Basicphone reported \$0 revenue and is not providing telecommunications services in Missouri. Staff recommends that the Commission cancel the company's certificate of service authority to provide basic local and local exchange telecommunications services.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion and Basicphone’s request to cancel the certificate included in its 2005 Annual Report, the Commission finds that the certificate of service authority granted to Basicphone, Inc., shall be canceled.

IT IS ORDERED THAT:

1. The certificate of authority to provide basic local and local exchange telecommunications services granted to Basicphone, Inc., in Case Number TA-2000-107 is canceled.
2. This order shall become effective on April 30, 2006.
3. This case may be closed on May 1, 2006.
