Case No. _____

MOTION FOR PROTECTIVE ORDER

Comes Now Delta Communications, LLC, dba Clearwave Communications (Clearwave or Applicant), and moves the Commission, pursuant to 4 CSR 240-2.085, to issue a protective order in this matter with respect to financial information provided in conjunction with Clearwave's Application for certificate of service authority for basic local telecommunications service, which is being filed concurrently herewith. In support of its motion, Affordable states as follows:

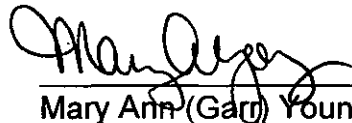

1. Clearwave is a privately held corporation engaged in the provision of telecommunications services which are highly competitive. The public disclosure of financial statements of Clearwave could be injurious to its business and competitive positions.

2. Clearwave has concurrently filed its Application for certificate of service authority to provide basic local telecommunications service. Clearwave will late-file Exhibit C to the Application, its highly confidential financial information, after the Commission issues its standard Protective Order in this matter. Only a public version of the Application and attachments is being filed at this time.

3. The financial statements of Applicant are private and confidential financial and business information, and therefore constitute highly confidential information entitled to protection from disclosure under 4 CSR 240-2.085. None of the information for which Applicant claims confidentiality has been released in any format in any other public document.

WHEREFORE, Clearwave respectfully requests that the Commission issue its standard protective order in this proceeding with respect to financial statements to be late-filed as Exhibit C to Clearwave's Application for Certificate of Service Authority.

Respectfully submitted,
