The Honorable Morris Woodruff  
Chief Judge/Secretary  
Missouri Public Service Commission  
Jefferson City, Missouri 65101

**Re: Nextel Wireless  
Termination of Interconnection and Reciprocal Compensation Agreements**

Dear Judge Woodruff:

On September 27, 2013, Nextel West Corp. ("Nextel") notified fifteen (15) small rural incumbent local exchange carriers ("ILECs") that Nextel's National Network was permanently shut down on June 30, 2013. Nextel's notice explained that Nextel was no longer exchanging traffic with the ILECs effective July 1, 2013. Therefore, Nextel's approved Interconnection Agreements with the ILECs were no longer needed, and Nextel sought to terminate those agreements. Copies of Nextel's notification letters are included with this letter as Attachment A.

Because the Nextel Interconnection Agreements are no longer necessary, the small Missouri ILECs request that the Commission confirm the termination of the following Nextel Interconnection Agreements and update Commission's case records and Data Center information accordingly:
