File No. XD-2012-_____

MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and moves for the Missouri Public Service Commission (Commission) to cancel the certificate of service authority and associated tariff of Pacific South Telecom, Inc., (Pacific South or Company) and respectfully states as follows:

1. On April 13, 2008, the Commission granted Pacific South a certificate of service authority to provide intrastate interexchange telecommunications services including operator services in the state of Missouri in Case No. LO-2008-0294.

2. On November 25, 2011, the Commission received a letter from Pacific South requesting cancellation of its certificate of service authority, stating the Company has “....not done any business in Missouri....” and has “....decided not to pursue doing business there.” See Attachment A.

3. Pacific South is current in the payment of its fiscal year assessments and the filing of annual reports with the Commission.

4. Because Pacific South has requested cancellation of its certificate, the Staff recommends that the Commission cancel the Company’s certificate and associated tariff.

5. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5, RSMo (Supp. 2010), which provides “[a]ny certificate of service

authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

6. The Commission need not hold a hearing if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W. 2d 494 (Mo. App. W.D. 1989).

WHEREFORE, the Staff recommends that the Commission cancel the certificate of service authority and associated tariff of Pacific South Telecom, Inc., to provide intrastate interexchange telecommunications services including operator services in the state of Missouri.

Respectfully submitted,
