Public Convenience and Necessity to Own,)
Operate, Maintain, and Otherwise Control)
and Manage those Facilities.)

File No. EA-2018-

NOTICE OF INTENT TO FILE

In accordance with 4 CSR 240-4.017(1), Ameren Transmission Company of Illinois (“ATXI”) provides notice of its intent to file an application for authority to acquire electric transmission facilities from the City of Rolla, Missouri d/b/a Rolla Municipal Utilities and for a certificate of public convenience and necessity authorizing ATXI to own, operate, maintain, and otherwise control those facilities as well as adjacent facilities to be constructed by ATXI as a part of a network transmission solution.

Issues likely to be raised by the application include but are not limited to: (1) whether the proposed acquisition and associated project would be detrimental to other customers located in the Ameren Missouri transmission pricing zone, and (2) whether granting ATXI a certificate of public convenience and necessity is in the public interest.

To the best of ATXI’s knowledge, information, and belief, within the ninety (90) days immediately preceding this notice no representative of ATXI has had contact with anyone from the Office of the Commission, as that term is defined by 4 CSR 240-4.015(10), regarding the planned application, and no such contacts are anticipated prior to the planned application’s filing date.

Respectfully submitted,

/s/ L. Russell Mitten
