Case No. _____

MOTION FOR EXPEDITED TREATMENT

Comes now TelAtlantic Communications, Inc. d/b/a Miller Long Distance (“Miller Long Distance”), pursuant to 4 CSR 240-2.080(16), and for its Motion for Expedited Treatment states to the Missouri Public Service Commission (“Commission”) as follows:

1. On March 17, 2005, the Commission issued its Order Granting Staff Motion in which it advised Missouri telecommunications companies that they “may begin billing their customers the Missouri Universal Service Fund surcharge on May 1, 2005, if applicable.”
2. Miller Long Distance holds a certificate from the Commission to provide interexchange telecommunications services in Missouri and is a “telecommunications company” as defined in 386.020 (51), RSMo 2000.
3. On this same date, Miller Long Distance is filing a tariff sheet authorizing it to collect the Missouri Universal Service Fund surcharge from its customers. This tariff was not filed earlier because it was inadvertently omitted when counsel for Miller Long Distance was preparing and filing numerous Missouri Universal Service Fund tariffs for the companies represented by the firm. Miller Long Distance requests that the Commission approve this tariff on an expedited basis so that the company may begin collecting the surcharge from its customers as ordered by the Commission.

Wherefore Miller Long Distance respectfully requests that the Commission grant its Motion for Expedited Treatment and approve the tariff sheet authorizing it to collect the Missouri Universal Service Fund Surcharge from its customers as quickly as possible.

Respectfully submitted,
