**Re: MidAtlantic Broadband Inc. ("MidAtlantic"); Missouri Video Service  
Provider Authorization; Franchise Fee in the City of Elsberry, MO**

Dear Mr. Guinness:

This letter is referring to MidAtlantic's Notice of Change Application for a Missouri Video Service Provider Authorization filed with the Missouri Public Service Commission on June 29, 2018 ("Application"). On the Application, we listed the franchise fee in the City of Elsberry as 0% based on information we were given. We received a phone call from City Clerk, Sue Hogarth, informing us of the correct franchise fee amount of 5%. We informed MidAtlantic of the 5% fee amount and MidAtlantic will pay that rate once they provide service in the City of Elsberry. The Application was recently approved. We will also inform the PSC of the change

If you have questions, please contact me at (314) 394-1535.

Sincerely,

  
Bruce E. Beard
