RE: Request for Cancellation of Intrastate authority and Tariff  
Operator Service Company, LLC – Docket No. TA-93-202; XN-2007-0416

Commission Staff,

By this letter, Operator Service Company, LLC (“OSC”) respectfully requests cancellation of their Intrastate authority and any applicable tariff.

OSC was granted a Certificate of Service Authority in Docket Number TA-93-202 and changed their corporate name in Docket Number XN-2007-0416. OSC has closed their business effective February 28, 2019 and currently has no customers in Missouri or elsewhere. Since OSC has no customers, there will be no financial impact for granting this request. OSC is current with their annual reports and payment of annual fees assessed by the Commission. Since OSC has closed, OSC respectfully requests relief from upcoming annual filings and any other relief that the Commission will grant. Per 20 CSR 4240-28.011 (3), a letter requesting the cancellation authority or registration and any applicable tariff would be required.

For the reasons set forth above, Operator Service Company, LLC respectfully requests cancellation of their Certificate of Service Authority and any applicable tariff.

If you have questions or if you require additional information, please contact me at 405-755-8177 ext. 2103 or by email at [mdean@telecompliance.net](mailto:mdean@telecompliance.net).

Respectfully submitted,
