Dear Sir/Madame

This letter is to inform you that I would like amend my formal complaint case to add the incident that occurred on 12/14/2012 . Missouri American Water shut off my services for a full day, In the process of restoring my service I was to be notified if they found water to be on in my home, well needles to say I arrived home and my kitchen faucet was running full blast, from the time they restored service until I got home at 9:30 pm . I would like full compensation for water usage of that time frame.

Sincerely,

Marcia Eason
