

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Liberty Utilities (Midstates)
Natural Gas) Corp.'s Fuel Costs Related to the) Case No. _____
Extraordinary Weather Event of February 2021)

NOTICE OF INTENDED CASE FILING

COMES NOW Liberty Utilities (Midstates Natural Gas) Corp., and for its Notice of Intended Case Filing being submitted herein pursuant to 20 CSR 4240-4.017, respectfully states as follows to the Missouri Public Service Commission (the "Commission"):

1. Liberty Utilities (Midstates Natural Gas) Corp. ("Liberty" or the "Company") is a corporation organized and existing under the laws of the state of Missouri and is primarily engaged in the business of distributing and transporting natural gas to approximately 55,000 customers in the West, Northeast and Southeast portions of Missouri.

2. A Certificate of Good Standing evidencing Liberty's standing to do business in Missouri was attached as Exhibit 1 to the Application filed in Case No. GE-2019-0251. The information on such Certificate is currently applicable and correct.

3. Liberty is a "public utility," as defined by RSMo. §386.020 and, therefore, is subject to the general regulatory jurisdiction of the Commission as provided by law.

4. Liberty has no pending or final unsatisfied judgments or decisions against it from any state or federal agency or court that involve customer service or rates and that have occurred within the three years immediately preceding this filing. Liberty's Annual Reports and assessment fees are not overdue.

5. With regard to issues that the Commission will be asked to consider and decide in the case, Liberty intends to file an application requesting an Accounting Authority Order ("AAO") and modification of its Purchased Gas Adjustment ("PGA") / Actual Cost Adjustment ("ACA")

tariff sheets. With its application, Liberty will seek an AAO to allow the Company to assist its customers by deferring certain costs that would otherwise be due in the near future under the Company's current PGA/ACA tariff. An AAO and modification of the PGA/ACA tariff are necessary due to the unusually high fuel costs and resulting financing costs incurred by Liberty on behalf of its customers during the extraordinary weather event that occurred in February of 2021.

6. With regard to Rule 4.017(1) and the requirement that a 60-day filing notice include "a summary of all communication regarding substantive issues likely to be in the case between the filing party and the office of the commission that occurred in the ninety (90) days prior to filing the notice," Liberty verifies that there have been no ex parte communications regarding substantive issues likely to be in the intended case between Liberty and the office of the Commission within the 90 days prior to the filing of this Notice.

7. This Notice of Intended Case Filing is being submitted as soon as possible following the weather event, and Liberty plans to seek a partial waiver of Rule 4.017, to allow its intended application to be filed less than 60 days after the submission of this Notice of Intended Case Filing.

WHEREFORE, Liberty submits to the Commission this Notice of Intended Case Filing and seeks such relief as is proper under the circumstances.

Respectfully submitted,

/s/ Diana C. Carter
