Dear Chairman Gunn:

This letter is in regards to the proposed 14% increase that Ameren Missouri has requested.

I am in opposition to this proposal due to the economic constraints currently placed upon the consumers. In this difficult time of economic hardship, consumers cannot withstand another increase of any kind.

Please take careful and considerable deliberation on this proposal before agreeing to Ameren Missouri's request.

Sincerely,

A handwritten signature in cursive script that reads "Eileen McGeoghegan".
