COMES NOW, CenturyTel of Missouri, LLC d/b/a CenturyLink (“CenturyLink”) and Spectra Communications Group, LLC d/b/a CenturyLink and files its Application for Approval of the Relative Use Factor (RUF) Amendment to the Commercial Mobile Radio Services (CMRS) Interconnection Agreement (“Agreement”) between New Cingular Wireless PCS, LLC and its Commercial Mobile Radio Service Affiliates (“New Cingular”) and CenturyLink pursuant to the Telecommunications Act of 1996 (the “Federal Act”). In support of its application, CenturyLink states the following:

I. APPLICANT

CenturyTel of Missouri, LLC d/b/a CenturyLink is a Louisiana limited liability corporation that is duly authorized to do business in the state of Missouri and authorized by the Commission to provide basic local and interexchange telecommunications services. Copies of CenturyTel of Missouri, LLC’s Certificate of Authority to transact business in Missouri from the

Missouri Secretary of State were filed in Case No. TM-2002-232, and are incorporated herein by reference pursuant to 4 CSR 240-2.060(1)(G).

Spectra Communications Group, LLC d/b/a CenturyLink is a Delaware limited liability corporation that is duly authorized to do business in the state of Missouri and authorized by the Commission to provide basic local and interexchange telecommunications services. Copies of Spectra Communications Group, LLC's Certificate of Authority issued by the Missouri Secretary of State were filed in Case No. TM-2000-182 and incorporated herein by reference pursuant to Commission Rule 4 CSR 240-2.060(1)(G).

To CenturyLink's knowledge, there are no overdue assessments or annual reports or final unsatisfied judgments or decisions against it involving customer service or rates occurring within the last three years.

II. INTERCONNECTION AGREEMENT

CenturyLink presents to the Commission its application pursuant to the terms of the Federal Act. CenturyLink and New Cingular entered into a Commercial Mobile Radio Services (CMRS) Interconnection Agreement approved in Docket No. TK-2017-0003 (the "Agreement"). There are no outstanding issues related to the Agreement between the parties that require the assistance of mediation or arbitration.

CenturyLink and New Cingular recently entered into the attached Relative Use Factor (RUF) Amendment to the Commercial Mobile Radio Services (CMRS) Interconnection Agreement. The Commercial Mobile Radio Services (CMRS) Interconnection Agreement is amended by adding the percentage rates for the Relative Use Factor (RUF) as reflected in Attachment 1 to the Amendment.

III. STANDARD FOR REVIEW

The statutory standard of review under Section 252(e) of the Act states:

- (e) Approval by State Commission
 - (1) Approval Required. Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the state commission. A State commission to which an agreement is submitted to shall approve or reject the agreement, with written findings as to any deficiencies.
 - (2) under subsection (a) if it finds Grounds for Rejection. The State commission may only reject.
 - (A) an agreement (or any portion thereof) adopted by negotiation that:
 - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement, or
 - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; or...

CenturyLink further states that the Agreement is consistent with the public interest, convenience and necessity in that it allows for full and fair competition and greater choice for the consumer. The Agreement does not discriminate against other carriers who are not a party to the Agreement because the terms of the Agreement are equally available to any other carrier.

IV. REQUEST FOR APPROVAL

CenturyLink seeks the Commission's approval of the Agreement, consistent with the provisions of the Federal Act. CenturyLink and New Cingular believe that the implementation of this Agreement complies fully with Section 252(e) of the Federal Act because the Agreement is consistent with the public interest, convenience and necessity and does not discriminate

against any telecommunications carrier. The Agreement promotes diversity in providers, provides interconnectivity, and increases customer choices for telecommunications services.

CenturyLink and New Cingular respectfully request that the Commission grant approval of the Agreement, without change, suspension or other delay in its implementation.

V. CONCLUSION

WHEREFORE, for the foregoing reasons, CenturyLink requests that the Commission approve the Relative Use Factor (RUF) Amendment to the Commercial Mobile Radio Services (CMRS) Interconnection Agreement between CenturyLink and New Cingular.

Respectfully submitted,
