

In the Matter of the Application of

NET TALK.COM, INC.

For Certificate of Service Authority to

Provide Basic Local Telecommunications

Services in the State of Missouri and for

Competitive Classification

COMES NOW Net Talk.com, Inc. ("Net Talk" or "Applicant"), by its undersigned counsel, and hereby requests to amend its Application for Certificate of Service Authority to Provide Basic Local Telecommunications Services in the State of Missouri. Specifically, Applicant seeks to amend the portion of its Application pertaining to Waiver of Commission Rules and Regulation as follows:

Net Talk seeks classification of itself and its new basic local telecommunications service offerings as competitive, with accompanying reduced regulation pursuant to Sections 392.362 RSMo and 4 CSR 240-3.510(1)(A). Applicant believes that its proposed services will be subject to sufficient competition to justify a lesser degree of regulation and that granting this request will allow greater price and service options for telephone users.

Consistent with the Commission's treatment of other certificated competitive local exchange telecommunications companies, Applicant request that, at minimum, the following

statutes and regulations for Applicant and its proposed basis local exchange service offering be waived at this time:

Statutory Provisions

392.210.2	uniform system of accounts
392.240.1	ratemaking
392.270	valuation of property (ratemaking)
392.280	depreciation accounts
392.290	issuance of securities
392.300	transfer of property and ownership of stock
392.310	stock and debt issuance
392.320	stock dividend payment
392.330	issuance of securities, debts and notes
302.340	reorganizations

Commission Rules

4 CSR 240-3.550 (4), (5)(A)	held order records, quality of service reports
4 CSR 240-10.020	depreciation fund income
4 CSR 240-30.040	Uniform System of Accounts
4 CSR 240-32.060	engineering and maintenance
4 CSR 240-32.070	quality of service
4 CSR 240-32.080	service objectives and surveillance levels
4 CSR 240-32.040 (1-3) and (5-10)	billing and payment standards
4 CSR 240-33.045	charges on bills
4 CSR 240-33.080 (1)	company name and toll-free number on bills
4 CSR 240-33.130 (1), (4), (5)	operator service requirements

CONCLUSION

WHEREFORE, for the reasons set forth above, NetTalk respectfully requests that the Commission grant its request to amend its Application as stated herein.

Respectfully submitted,

By: _____
