**AT&T MISSOURI'S UNOPPOSED MOTION FOR
AN EXTENSION OF TIME**

COMES NOW AT&T Missouri,¹ and pursuant to 4 CSR 240-2.050(3)(A), respectfully moves for an extension of time, through and including December 14, 2009, within which to respond to Level 3 Communications, LLC's ("Level 3's") motion to dismiss AT&T Missouri's complaint directed to it. In support thereof, AT&T Missouri states as follows:

1. On November 13, 2009, Level 3 filed a motion to dismiss AT&T Missouri's complaint directed to it.

2. While AT&T Missouri's response to Level 3's motion is presently due by not later than November 23, 2009 (pursuant to 4 CSR 2.080(15)), the Commission is authorized to grant AT&T Missouri an additional period of time within which to file its response (pursuant to 4 CSR 2.050(3)(A)).

3. AT&T Missouri requests through and including December 14, 2009, within which to file its response to Level 3's motion. Undersigned counsel has discussed this request with

¹ Southwestern Bell Telephone Company d/b/a AT&T Missouri ("AT&T Missouri").

counsel for Level 3, who has agreed to the request, and no prejudice would result to any interested person should the request be granted.

4. AT&T Missouri notes that, pursuant to the Commission's November 3, 2009, Order Extending Deadline for Responses, Staff's report in this case is due by not later than December 1, 2009. AT&T Missouri would not object if, due to the Commission's grant of the instant request, Staff were to move the Commission for an additional period of time within which to file its report or if the Commission were to grant Staff such additional time on its own motion.

Wherefore, AT&T Missouri respectfully requests that the Commission enter an order granting it through and including December 14, 2009, within which to respond to Level 3 Communications, LLC's motion to dismiss AT&T Missouri's complaint directed to it.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE COMPANY,
D/B/A AT&T MISSOURI
