<b>v.</b>	)	<b>Case No. WC-2007-0303</b>
	)	
<b>AQUA MISSOURI, INC.</b>	)	
	)	
<b>Respondent.</b>	)	

**AQUA MISSOURI'S STATEMENT OF POSITIONS**

1. Is the Quail Valley Waste Water Treatment Facility capable of handling an additional 32 homes?

**ANSWER:** No.

a. If not, how many more can it handle?

**ANSWER:** Up to a total of 90 connections (12 above the current 78).

2. If not, who is responsible for expanding the plant?

**ANSWER:** The Developer must extend the mains to the additional 20 lots and must expand the capacity of the Waste Water Treatment Facility for such additional 20 lots.

3. Did Complainants apply for additional hookups and, if so, did Respondent deny such application?

**ANSWER:** No applications for additional hookups were ever submitted to Aqua Missouri.

4. If Complainants did apply for additional hookups, how many were applied for?

**ANSWER:** No application was ever filed. The most additional hookups ever requested in any form, which was in letter format, not from Complainant, were for a total of up to 90 connections (12 total new hookups).

5. If Respondent did deny such application, was Respondent's denial of additional hookups wrongful, intentional, and without just cause or excuse?

**ANSWER:** No. Aqua Missouri did not deny any application by Complainant because no denial was ever made and no application was ever submitted. To the extent any application is deemed to have been submitted, any denial thereof was not wrongful or intentional without just cause or excuse.

6. What was the original designed capacity of the Waste Water Treatment Facility?

**ANSWER:** Eighty homes.
