NOTICE OF CLOSING

COMES NOW S. T. Ventures, LLC (STV), and, states the following to the Missouri Public Service Commission (Commission):

1. The Commission Order Approving Application (Order) issued October 27, 2010, among other things, directed that STV “file a notice in this case within five business days of the completion of the transfer of assets. . . .”

2. STV hereby states that the subject assets were transferred on November 22, 2010. Evidence of this transfer, in the form of a copy of the relevant warranty deed and bill of sale, is attached hereto as **Appendix A**.

3. The Order further states that “[a]fter the closing is complete, Staff advises the Commission to cancel S.T. Venture’s Certificate of Convenience and Necessity, as well as the tariffs issued by that company.”

4. Because the closing is now complete and STV no longer has the assets necessary for the provision of sewer services in its previously certificated territory, STV requests that its certificate of convenience and necessity and sewer tariff be cancelled.

WHEREFORE, STV respectfully requests that the Commission issue its order accepting the notice of closing and cancelling STV’s certificate and tariff, as requested herein.

Respectfully submitted,
