**BEFORE THE PUBLIC SERVICE COMMISSION**  
**OF THE STATE OF MISSOURI**

In the Matter of Southwestern Bell Telephone       )  
Company's IntraLATA Long Distance Dialing       )  
Parity Plan   )  
Case No. TO-99-535

**NOTICE OF CORRECTION**

On June 10, 1999, the Missouri Public Service Commission issued its Report and Order in the above-styled matter. At page 6 of the Report and Order is set out the text of a notice that Southwestern Bell Telephone Company (SWBT) must send to its customers. The fifth and last paragraph of that notice reads:

From July 22, 1999 until October 20, 1999, you will be able to choose a company other than Southwestern Bell Telephone Company and you will not be charged for making the change. If you want to change again, or make a change after October 20, 1999, you will incur a charge of \$5.00.

In fact, the text in question incorrectly states the end date for the waiver of PIC Change Charges, which should be January 20, 2000, rather than October 20, 1999. Likewise, the text in question incorrectly states the amount of the PIC Change Charge incurred after the waiver end date, which should be \$5.83 rather than \$5.00. Accordingly, the text in question is corrected to read (changed text in bold):

From July 22, 1999 until **January 20, 2000**, you will be able to choose a company other than Southwestern Bell Telephone Company and you will not be charged for making the change. If you want to change again, or make a

change after January 20, 2000, you will incur a charge  
of \$5.83.
