2. RULES AND REGULATIONS

2.1. Description and Limitations of Services

- 2.1.1. Intrastate Telecommunications Service ("Service") is the furnishing of Company communication Services contained herein between specified locations under the terms of this Tariff.
- 2.1.2. Any legally organized entity such as a corporation, partnership, sole proprietorship or governmental body organized for business or non-residential purposes is entitled to obtain Service under this Tariff, provided that the Company reserves the right to deny Service: (A) to any Customer that, in the Company's reasonable opinion, presents an undue risk of nonpayment and refuses to comply with the deposit requirements set forth in Section 2.7.3, (B) in circumstances in which the Company has reason to believe that the use of the Service would violate the provisions of this Tariff or any applicable law or if any applicable law restricts or prohibits provision of the Service, or (C) if insufficient facilities are available to provide the Service (in such cases Company shall make best efforts to accommodate the needs of all potential Customers by means of facility improvements or purchases, of capacity, if such efforts will, in the Company's opinion, provide the Company with a reasonable return on its expenditures), but only for so long as such unavailability exists.
- 2.1.3. Company, when acting at the Customer's request and as its authorized agent, will make reasonable efforts to arrange for Service requirements, such as special routing, Diversity, Alternate Access, or circuit conditioning.
- 2.1.4. Service is offered in equal access exchanges subject to the availability of facilities and the provisions of this Tariff. Company reserves the right to refuse to provide Service to or from any location where the necessary facilities and/or equipment are not available.
- 2.1.5. Service may be discontinued after five business days written notice to the Customer if:
- 2.1.5.A. the Customer is using the Service in violation of this Tariff; or
 - 2.1.5.B. the Customer is using the Service in violation of the law or Commission regulation.
- 2.1.6. Service begins on the date that billing becomes effective and is provided on the basis of a minimum period of at least one month, 24 hours per day. For the purposes of computing charges in this Tariff, a month is considered to have 30 days.
- 2.1.7. Service will be provided until canceled, by the Customer on not less than thirty (30) days' verbal or written notice from the date of postmark on the letter giving notice of cancellation.

2.13. Special Customer Arrangements

2.13.1. In cases where a Customer requests a special or unique arrangement which may include engineering, conditioning, Installation, construction, facilities, assembly, purchase or lease of facilities and/or other special Services not offered under this Tariff, the Company, at this option, may provide the requested Services. Appropriate recurring charges and/or Nonrecurring Charges and other terms and conditions will be developed for the Customer for the provisioning of such arrangements.

2.14. Inspection

2.14.1. The Company may, upon notice, make such tests and inspections as may be necessary to determine that the requirements of this Tariff are being complied with in the Installation, operation or maintenance of Customer or the Company equipment. The Company may interrupt the Service at any time, without penalty to the Company, should Customer violate any provision herein.

2.15. Porting Toll-Free Numbers

2.15.1 Company will participate in porting toll-free numbers only if the account balance is zero and all undisputed charges incurred as a result of the toll-free number have been paid.
