

TRANSIT TRAFFIC SERVICE APPENDIX PRICING - MISSOURI**MISSOURI**

- 1.0 Transit rates will be determined on a monthly basis depending on the monthly volume of Transit Traffic originated by WSP utilizing AT&T MISSOURI's Transit Traffic Service. Monthly volumes will be determined on an statewide minute of use basis.
- 1.1 When WSP's Transit Traffic is 13,000,000 minutes of use or less in a single month, the rate for all Transit Traffic originated by WSP for that month will be:
- \$.001959 per minute of use
- 1.2 When WSP's Transit Traffic is greater than 13,000,000 minutes of use in a single month, the rate for all Transit Traffic originated by WSP for that month will be:
- \$.0025467 per minute of use
- 2.0 In the event that AT&T MISSOURI cannot mechanically bill on a monthly basis the appropriate rate based on the Transit Traffic volumes originated by WSP in Sections 1.1 through 1.2 above, AT&T MISSOURI will bill on a monthly basis the transit rates listed in 1.1 above and true up amounts, if any, on a quarterly basis based on actual Transit Traffic minutes per month for each month of the prior quarter.
