Prompt approval of Areocom's application also will expand the availability of innovative, high quality, and reliable telecommunications services within the state of Missouri.

WHEREFORE, Applicant Areocom L.L.C. respectfully requests the Missouri Public Service Commission to grant it a Certificate of Service Authority to provide competitive intrastate interexchange and non-switched local telecommunications services within the state of Missouri; an order classifying it as a competitive telecommunications company providing competitive service; an order suspending, waiving, or modifying the above-referenced rules and statutory provisions as they relate to the regulation of the Applicant in the state of Missouri; and for such further orders as the Commission deems appropriate.
