Digital Phone

NewWave Phone combines the convenience of having a home phone with great value pricing. Your phone service is delivered through your broadband connection for crystal clarity. Calling essentials like 911 and 411 are, of course, included along with the great calling features you want. We offer two phone service levels.

Unlimited Phone

Our Unlimited service delivers just what you'd expect from that name – UNLIMITED local, regional, and domestic U.S. calling. All the NewWave features, plus UNLIMITED value! Remember the bad old days of Long Distance charges? They're gone forever, along with the high prices that went with them.

Enhanced Phone

Our Enhanced Local service delivers great basic service. You get unlimited local calling plus 60 minutes of long distance calling each month. You save every day – visiting with your friends was never better! Easy, reliable, high quality, great value – a winning combination from NewWave.
