Case No. TA-2000-664

Missouri Public
Service Commission

SUPPLEMENT TO APPLICATION

Pathnet, Inc. (Applicant or Pathnet), a Delaware corporation, files this supplement to its application in order to conform the application to the Commission's revision of its rules at 4 CSR 240.

Pathnet's original application, filed on April 19, 2000, contained among other things a request that its services be categorized as competitive and a request for waiver of several of the Commission's rules that have previously been waived for carriers offering only competitive services. We were subsequently informed by PSC staff member Walter Cecil that Pathnet's application would be evaluated pursuant to the new rules, and as a result, some changes needed to be made in our requests for waivers. After reviewing the new provisions with Mr. Cecil, Pathnet offers the following as a replacement for paragraph 6 of its original application:

6. Applicant also requests, pursuant to Section 392.420, RSMo (Cumm. Supp. 1994), that the Commission waive the application of the following rules and statutory provisions as they relate to the regulation of the applicant:

Statutes:

392.210.2	Uniform System of Accounts
392.240(1)	Just and Reasonable Rates
392.270	Property Valuation
392.280	Depreciation Accounts
392.290	Issuance of Securities
392.300.2	Acquisition of Stock
392.310	Issuance of Stocks and Debt
392.320	Stock Dividend Payment
392.330	Issuance of securities, debts & notes
392.340	Reorganization

Commission Rules:

4 CSR 240-10.020	Depreciation fund income
4 CSR 240-30.010(2)(C)	Rates schedules posted at central offices.
4 CSR 240-30.040	Uniform System of Accounts
4 CSR 240-32.030(1)(B)	Exchange Boundary maps
4 CSR 240-32.030(2)	Records kept within state
4 CSR 240-33.030	Inform customers of lowest price

The above-referenced rules and statutory provisions have been waived with respect to other interexchange and local exchange and local exchange carriers in prior cases.

WHEREFORE, Pathnet, Inc. respectfully requests that the Missouri Public Service Commission incorporate these changes into Pathnet's original application filed April 19, 2000 and grant the relief prayed for there and grant a waiver of the aforementioned statutes and regulations.

Respectfully submitted
