Case No. SM-2008-0188

**JOINT MOTION FOR THIRD EXTENSION OF TIME
TO FILE PROPOSED PROCEDURAL SCHEDULE**

COMES NOW the Staff of the Missouri Public Service Commission, on its own behalf and on behalf of Blue Lagoon, LLC, the Office of the Public Counsel and Salt River Resort, LLC, and, for their Joint Motion for Third Extension of Time to File Proposed Procedural Schedule, states to the Missouri Public Service Commission as follows.

On January 15, 2008, the Commission ordered the parties to file, by no later than February 11, 2008, a proposed procedural schedule. On February 11, 2008, the Commission extended the deadline to file the proposed procedural schedule to March 25, 2008, and on March 25, 2008, the Commission extended the said deadline to April 15, 2008.

On March 28, 2008, Kenneth D. Jaeger, one of the Joint Applicants in this case, filed a Petition in Bankruptcy in the Southern District of Texas, Brownsville Division, in Case No. 08-10166. (See Staff's Suggestion of the Bankruptcy of Applicant Jaeger, filed in this case on April 14, 2008.)

The moving parties understand that institution of bankruptcy proceedings generally results in court orders requiring that judicial and administrative proceedings be stayed. However, the moving parties have not yet seen a stay order in Jaeger's bankruptcy case, and do not know what effect, if any, the filing of this bankruptcy proceeding will have on Jaeger's application to transfer assets. The moving parties believe, however, that some bankruptcy issues

must be resolved before the Commission can dispose of the pending Joint Application, and that it would therefore be premature to propose a procedural schedule for this case.

The moving parties therefore request that the deadline for filing a proposed procedural schedule be extended by thirty days, to May 15, 2008.

WHEREFORE, the Staff, on its own behalf and on behalf of Blue Lagoon, LLC, the Office of the Public Counsel, and Salt River Resort, LLC, moves the Commission for its order extending the deadline for filing a proposed procedural schedule to May 15, 2008.

Respectfully submitted,

/s/ Keith R. Krueger
