OF THE STATE OF MISSOURI

In the Matter of the Application)
of Kansas City Cable Partners)
d/b/a American Cablevision for) CASE NO. TA-98-428
Additional Interexchange Service)
Authority.)

NOTICE OF DEFICIENCY OF APPLICATION

Kansas City Cable Partners d/b/a American Cablevision (KCCP) filed an application for a certificate of interexchange service authority on April 8, 1998. KCCP relied upon documentation submitted in an earlier application for non-switched local exchange service authority granted on June 10, 1988, in Case No. TA-88-232.

Commission rules permit a company to incorporate by reference documentation submitted in another Commission proceeding. See 4 CSR 240-2.060(4)(E). However, the fictitious name registration submitted in TA-88-232 is Kansas City Fibernet rather than American Cablevision. In order to avoid denial of its application, KCCP must submit a current fictitious name registration for its d/b/a of American Cablevision no later than April 29, 1998.
