Re: Case No. TA-2000-623; Tariff File No. 2000-00-908  
Everest Connections Corporation  
Interexchange/Non-Switched Local Exchange Application

Dear Mr. Roberts:

Please be advised that Applicant Everest Connections Corporation hereby extends the effective date of its proposed tariff from June 5, 2000 to June 14, 2000. According to the message received from my client, this additional extension is being granted pursuant to Staff's request so that certain minor "spacing/pagination problems" (discovered in Applicants second round of substitute tariff sheet filings) can be resolved and to accommodate Mr. Kuss' vacation schedule.

Pursuant to new rule 4 CSR 240-2.065(5), an additional eight copies of this letter is being provided for the Commission's official case file. A copy of this letter also has been sent to the General Counsel's Office and the Office of the Public Counsel. Thank you.

Sincerely,

  
Brent Stewart
