To all interexchange and local exchange telecommunications companies

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Application of)	
NET-tel Corporation for Approval of a)	
Resale Agreement with Southwestern Bell)	<u>Case No. TO-99-282</u>
Telephone Company Under the)	
Telecommunications Act of 1996.)	

ORDER DIRECTING NOTICE AND GRANTING INTERVENTION

On December 23, 1998, NET-tel Corporation (NET-tel) filed an application with the Commission for approval of a resale agreement with Southwestern Bell Telephone Company (SWBT) under the provisions of the Federal Telecommunications Act of 1996 (the Act). The applicant stated that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to non-party carriers and is consistent with the public interest. The applicant requests expeditious approval of the agreement.

On December 28, SWBT filed an Application to Intervene. As SWBT is a party to the Agreement, intervention shall be granted.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent

with the public interest, convenience, and necessity. 47 U.S.C. § 252(e).

The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for hearing or an application to participate without intervention. Participation may be permitted for the limited purpose of filing comments addressing whether this agreement meets the federal standards for approval of interconnection or resale agreements. The requirement of a hearing is met when an opportunity to be heard has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2D 494, 496 (Mo. App. 1989).

Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously and, if there are no requests for a hearing, relief may be granted based on the verified petition. The Commission finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

IT IS THEREFORE ORDERED:

1. That the Records Department of the Commission shall send notice to all interexchange and local exchange telecommunications companies.

2. That any party wishing to request a hearing or to participate without intervention in this matter shall file an application no later than January 25, 1999, with:

Dale Hardy Roberts, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

and send copies to:

Charles Brent Stewart
Stewart & Keevil, L.L.C.
1001 Cherry Street, Suite 302
Columbia, Missouri 65201

and

Office of the Public Counsel
Post Office Box 7800
Jefferson City, Missouri 65102

3. That Southwestern Bell Telephone Company shall be granted intervention as a party to this case as requested in its application filed December 28, 1998.

4. That the Staff of the Commission shall file a memorandum advising either approval or rejection of this agreement and giving the reasons therefor no later than March 12, 1999.

5. That this order shall become effective on January 4, 1999.
