**STATUS REPORT**

**COMES NOW** Central Rivers Wastewater Utility, Inc. (Central Rivers), and, as its Status Report, states as follows to the Missouri Public Service Commission (Commission):

1. On July 17, 2018, the Commission issued its Order Directing Status Report in this matter directing that Central Rivers file a status report regarding this case no later than July 20, 2018.

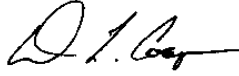

2. First, Central Rivers apologizes for not having filed the 2017 Annual Report by July 14, 2018. Central Rivers had been prepared to file the Annual Report on July 14. However, during the process realized that the instructions directed that the Assets page had to balance with the Equity and Liabilities page, which was not the case on the report Central Rivers was prepared to file. Instead of filing the report at that time, Central Rivers returned the report to its CPA for correction of this issue.

3. The issue has since corrected and Central Rivers has filed the Annual Report as of this afternoon.

**WHEREFORE**, Central Rivers respectfully requests the Commission consider this

Status Report.

Respectfully submitted,

---
