COMES NOW CenturyTel of Missouri, LLC ("CenturyTel"), pursuant to Commission Rule 4 CSR 240-2.080, and for its Notice of Amendment to Application for Competitive Classification respectfully states as follows:

1. On January 25, 2008, CenturyTel filed its verified Application for Competitive Classification pursuant to Section 392.245.5, RSMo. Cum. Supp. 2007, and revised tariff sheets with an effective date of February 24, 2008, initiating the above-referenced matter. Pursuant to the original Application, CenturyTel requests that the Commission conduct a 30-day competitive classification review pursuant to Section 392.245.5(6) RSMo., and approve CenturyTel's Applications for Competitive Classification for all its residential services, other than exchange access service, for the following exchanges: (a) Branson, (b) Exeter, (c) Rockaway Beach, and (d) Wright City; and for all of its business services, other than exchange access services, in the following exchanges: (a) Cabool, (b) Dardenne, (c) Hallsville, (d) Warrenton, (e) Winfield, and (f) Wright City.

2. On January 31, 2008, the Commission issued its *Order Directing Notice, Establishing Procedural Schedule, and Reserving Hearing Date* in this matter. No party has filed an application to intervene in this proceeding.

3. Pursuant to discussions with the Staff of the Commission and the Office of the Public Counsel, CenturyTel hereby notifies the Commission and those parties that it is amending the relief requested in this matter, by deleting the following specific requests for competitive classification at this time:

Business Services in its Cabool exchange; and

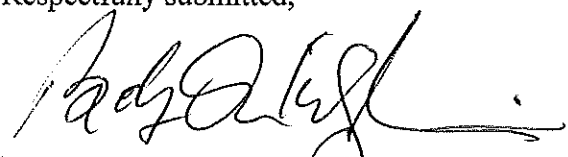

Residential Services in its Wright City exchange.

4. CenturyTel will be filing a new application for competitive classification of all its business services, other than exchange access services, in its Cabool exchange before the end of the month in order to allow the parties sufficient time to prepare for a hearing on the issues in that exchange.

5. CenturyTel will be filing substitute tariff sheets in this case and Tariff File No. YI-2008-0442 to effectuate the above amendments to its requested relief.

WHEREFORE, CenturyTel of Missouri, LLC respectfully submits its Notice of Amendment to its previously filed Application for Competitive Classification.
