## NOTICE CLOSING CASE

On February 23, 1999, Southern Union Company filed a notice dismissing its application. 4 CSR 240-116(1) provides that an applicant may voluntarily dismiss an application without an order of the Commission before prepared testimony has been filed or oral evidence has been offered. No prepared testimony has been filed and no oral evidence has been offered, so Southern Union Company may voluntarily dismiss its application. This case may now be closed.

On February 22, Southwest Gas Company applied to intervene. Since Southern Union Company has dismissed its application, Southwest Gas Company's application to intervene is moot.
