dPi Teleconnect, LLC for Designation as) **File No. CO-2010-0054**
an Eligible Telecommunications Carrier)

ORDER GRANTING MOTION TO STAY INSPECTION OF RECORDS

Issue Date: December 2, 2009

Effective Date: December 2, 2009

On August 7, 2009,¹ dPi Teleconnect, LLC (hereafter “dPi”) applied for designation as an Eligible Telecommunications Carrier (ETC) throughout the exchanges of Southwestern Bell Telephone Company, L.P. d/b/a AT&T Missouri. Staff stated that it has found discrepancies between the information dPi has provided and dPi’s annual reports. These discrepancies have lead Staff to further question the facilities dPi owns and whether dPi has complied with the collection and funding requirements for the Missouri Universal Service and Relay Missouri Funds.

On October 30, Staff asked for an inspection of dPi's books, accounts, papers or records, as permitted by § 386.450 RSMo. The Commission granted that request on November 18, ordering the inspection to take place on December 2.

Staff filed a Motion to Stay Inspection of Records on December 2. Staff stated that dPi filed some responses on December 1, and has agreed to provide further information to Staff. Thus, any inspection ordered by the Commission would be duplicative of dPi's December 1 response.

The Commission finds Staff's motion reasonable, and will grant it.

THE COMMISSION ORDERS THAT:

1. The Motion to Stay Inspection of Records is granted.
2. This order shall become effective on immediately upon issuance.
