## ORDER REQUIRING FILING

2000, MGC Communications, d/b/a On 30, Inc. Mpower (Applicant) Communications Corp. filed an Application with Missouri Public Service Commission (Commission) for the approval of an interconnection agreement with Southwestern Bell Telephone Company under the provisions of Section 252 (e) federal o£ the Telecommunications Act of 1996.

Commission rule 4 CSR 240-2.060(1)(E) requires that if an applicant does business under a fictitious name, a copy of the registration of the fictitious name with the secretary of state must accompany the application. Applicant's application states that MGC Communications, Inc. does business as Mpower Communications Corp. Thus, Applicant's application did not comply with Commission rule 4 CSR 240-2.060(1)(E) in that a copy of the registration of MGC Communications, Inc.'s fictitious name with the Missouri Secretary of State did not accompany the application.

The Commission will order that Applicant file a supplementary pleading to cure this defect.

## IT IS THEREFORE ORDERED:

- 1. That MGC Communications, Inc. d/b/a Mpower Communications Corp. shall file, no later than 3:00 p.m. on July 17, 2000, a copy of the registration of MGC Communications, Inc.'s fictitious name with the Missouri Secretary of State.
  - 2. That this order shall become effective on July 17, 2000.
