ORDER GRANTING EXTENSION OF TIME
TO FILE STAFF MEMORANDUM

On April 20, 1999, CCCMO, Inc., doing business as Connect! (Applicant), filed an application with the Commission seeking approval of an interconnection agreement with Southwestern Bell Telephone Company (SWBT) under the provisions of the federal Telecommunications Act of 1996 (the Act). That application did not conform in all respects to the Commission's rules governing applications and the Commission twice, on April 29, 1999, and on June 3, 1999, directed Applicant to supplement or amend its application.

On June 10, 1999, Applicant filed its Supplement to Amended Motion for Approval of Interconnection Agreement. This pleading corrected the deficiencies referred to above. On June 14, 1999, the Commission issued its Notice pointing out that Applicant had finally perfected its application as of June 10, 1999, and that the 90-day period for processing its application began to run on that date. Thereafter, on June 14, 1999, the Staff of the Missouri Public Service Commission moved for an extension of time within which to file its Staff Memorandum, up to and including July 14, 1999.

No objections or responses to Staff's motion were received. Therefore, Staff's motion shall be granted.

IT IS THEREFORE ORDERED:

1. That the Staff of the Missouri Public Service Commission is granted an extension of time within which to file its Staff Memorandum, up to and including July 14, 1999.
