OF THE STATE OF MISSOURI

In the Matter of Petition of Communications)
Systems Development, Inc., for Withdrawal of) **Case No. TD-2000-714**
of Certificate of Service Authority)

ORDER REQUIRING FILING

On May 1, 2000, Communication Systems Development, Inc. (CSD) filed its petition for the withdrawal of its certificate of interexchange service authority, asking the Missouri Public Service Commission (Commission) to cancel its certificate of service authority to provide intrastate telecommunications services in the state of Missouri. The Commission issued an order granting CSD a certificate of service authority as a provider of interexchange, intrastate telephone services in case number TA-96-143 on January 9, 1996.

CSD stated in its petition that it was acquired by merger by Metromedia Fiber Network, Inc. (Network). CSD stated that another subsidiary of Network, namely, Metromedia Fiber Network Services, Inc., thus an affiliate of CSD, holds a certificate of authority to provide intrastate telecommunications services in Missouri pursuant to the Commission's order in case number TA-2000-335, and intends to provide service to Missouri customers. CSD stated that no service is provided to Missouri customers by CSD and, therefore, there are no customers to notify of its petition.

Commission Rule 4 CSR 240-2.080(3) states, in part: "Each pleading shall include a . . . specific reference to the statutory provision or other authority under which relief is requested." CSD's petition did not comply with Commission Rule 4 CSR 240-2.080(3) in that it did not include a specific reference to the statutory provision or other authority under which relief was requested.

CSD will be ordered to file a supplemental pleading correcting this deficiency.

IT IS THEREFORE ORDERED:

1. That Communication Systems Development, Inc. shall file, no later than 3:00 p.m. on May 15, 2000, a supplemental pleading which includes a specific reference to the statutory provision or other authority under which it requested relief.

2. That this case order shall become effective on May 15, 2000.
