CLEC/Group DPL Issue #	CLEC Language	SBC Language	Arbitrator's Report
Sprint Numbering 1	2.7.1 Where either Party has activated or reserved under contract or tariff an entire NXX for a single end user and such End-User chooses to receive service from the other Party, the first Party shall cooperate with the second Party to have the entire NXX reassigned in the LERG (and associated industry databases, routing tables, etc.) to an End Office operated by the second Party. Such transfer will require development of a transition process to minimize impact on the Network and on the end user(s) service and will be subject to appropriate industry lead times (currently forty-five (45) days) for movements of NXXs from one switch to another.	2.7.1 Where either Party has activated or reserved under contract or tariff an entire NXX for a single end user and such End-User chooses to receive service from the other Party, the first Party shall cooperate with the second Party to have the entire NXX reassigned in the LERG (and associated industry databases, routing tables, etc.) to an End Office operated by the second Party. Such transfer will require development of a transition process to minimize impact on the Network and on the end user(s) service and will be subject to appropriate industry lead times (currently forty-five (45) days) for movements of NXXs from one switch to another. The Party to whom the NXX is migrated will pay NXX migration charges per NXX to the Party formerly assigned the NXX as described in the Pricing Appendix under “OTHER”.	SBC's language is most consistent with Arbitrator's Report.
