Case No. TO-2000-609

ORDER DIRECTING FILING

On March 29, 2000, @link Networks, Inc. (Company), filed its application requesting the Commission's approval to close certain information presented in its 1999 annual report. On May 22, 2000, the Commission's Staff filed its recommendation in response to the Company's application. The Staff recommended approval of the request but with closure limited to one year. Staff further recommended that the Company be ordered to refile the confidential version of its annual report with the forms properly completed. Finally, Staff recommended, if the Company's request is approved, that a copy of this order be filed with the public version of the annual report.

Upon review of the Company's application and Staff's response, the Commission granted the application in its order issued on June 6, 2000. The Commission further ordered the Company to file a confidential version of its 1999 annual report with the necessary financial information placed on the Commission's form not later than July 17, 2000, and file a notice of compliance in this case when it has done so. The Company has not complied with the Commission's June 6, 2000, order.

IT IS THEREFORE ORDERED:

1. That @link Networks, Inc., shall file a confidential version of its 1999 annual report with the necessary financial information placed

6

on the Commission's form not later than November 30, 2000, and file a notice of compliance in this case when it has done so.

2. That this order shall become effective on November 12, 2000.
