**BEFORE THE PUBLIC SERVICE COMMISSION**

**OF THE STATE OF MISSOURI**

In the Matter of Joint Application of )  
Southwestern Bell Telephone Company and )  
Western Wireless Corporation for Approval ) **CASE NO. TO-98-12**  
of Interconnection Agreement Under the )  
Telecommunications Act of 1996. )

**ORDER AND NOTICE**

Southwestern Bell Telephone Company (SWBT) and Western Wireless Corporation (Western) filed an Application with the Commission on July 10, 1997, for approval of an interconnection agreement between SWBT and Western under the provisions of the Federal Telecommunications Act of 1996 (the Act). The applicants state that there are no unresolved issues, that the agreement complies with Section 252(e) of the Act, is not discriminatory and is consistent with the public interest. The applicants request expeditious approval of the agreement without change, suspension, or other delay in its implementation.

The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for hearing or an application to participate without intervention. Participation may be permitted for the limited purpose of filing comments addressing whether this agreement meets the federal standards for approval of interconnection agreements. The requirement of a hearing is met when an opportunity to be heard has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989). Therefore, if no party requests a hearing, the Commission may grant the relief requested based on the verified application.

The standards for approval are as follows:

**§252(e) APPROVAL BY STATE COMMISSION.--**

- (1) **APPROVAL REQUIRED.--**Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State Commission. A State Commission to which an agreement is submitted shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) **GROUND FOR REJECTION.--**The State Commission may only reject--
  - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that--
    - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
    - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; . . .

Section 252(e)(4) provides that if a the Commission has not approved or rejected such an agreement within ninety days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously and, if there are no requests for a hearing, relief may be granted based on the verified petition. The Commission finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

**IT IS THEREFORE ORDERED:**

1. That any party wishing to request a hearing or to participate without intervention in this matter shall file an application no later than July 31, 1997, with the Executive Secretary of the Missouri Public Service Commission, Post Office Box 360, Jefferson City, Missouri, 65102, and send copies to:
