STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a Session of the Public Service
Commission held at its office
in Jefferson City on the 24th
day of March, 1993.

In the matter of the investigation of the)
Section 111 standards of the Energy Policy) CASE NO. EO-93-222
Act of 1992.)

ORDER GRANTING MOTION FOR TIME TO FILE
STIPULATION AND AGREEMENT AND/OR PROPOSED PROCEDURAL SCHEDULE

On January 19, 1993, the Commission issued an Order Establishing A Docket for the purpose of determining whether the Chapter 22 Electric Utility Resource Planning Rules meet the requirements of Section 111 of the Energy Policy Act of 1992. In furtherance of that purpose the Commission scheduled an early prehearing conference which was convened on March 16, 1993. As a result of that conference the parties filed a motion on March 19, 1993, stating that a stipulation and agreement is likely and requesting a grant of time to April 1, 1993, to submit such agreement or file a proposed procedural schedule.

The Commission finds that such a grant of time will not unduly delay these proceedings and is reasonable and therefore grants this joint motion.

IT IS THEREFORE ORDERED:

1. That the motion by the parties in this matter for time to file a stipulation and agreement and/or proposed procedural schedule is granted to April 1, 1993.
2. That this Order shall become effective on the date hereof.
