

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

Cancellation of Certificate of Service Authority of ) **File No. PD-2011-**  
Overlord Telecommunications , LLC )

**STAFF MOTION FOR CANCELLATION**

COMES NOW the Staff of the Missouri Public Service Commission and for its Motion, states as follows:

1. On July 21, 2006, Overlord Telecommunications , LLC (the Company) was granted authority to provide private payphone services in File No. PA-2006-0485.
2. For the years 2008 and 2009, the Company reported zero Missouri jurisdictional revenue in its annual statements of revenue for those years, BSOR-2009-1290 and BSOR-2010-1709, respectively.
3. It is contrary to the public interest to allow private payphone companies with no business in Missouri for over a year to retain their certificates. Companies that report zero revenue are not assessed any portion of the Commission's annual operating assessment. However, these companies consume significant Staff time in recordkeeping and in monitoring compliance with reporting requirements, such as jurisdictional revenue statements. The costs of that recordkeeping and monitoring are passed on to the ratepayers of other companies that do have revenue in Missouri, which the Staff believes is unfair and contrary to the public interest. Moreover, the application process for payphone providers is extremely streamlined, so that a company can reinstate its certificate with very little effort in a short period of time. The Staff believes that

cancellation of certificates of private payphone service authority will not materially harm those companies.

4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

WHEREFORE, Staff moves that the Commission cancel the Certificate of Service Authority of Overlord Telecommunications , LLC.

Respectfully submitted,

Colleen M. Dale
