State of Missouri and for Designation as a Com- )

**ORDER CLOSING CASE**

On September 15, 1998, the Public Service Commission issued an Order Granting Certificate to Provide Basic Local Telecommunications Services to LDM Systems, Inc. (LDM). The Stipulation and Agreement of the parties that was approved in this case provided that LDM was to be granted a waiver of 4 CSR 240-2.060(4)(H), which requires the filing of a proposed tariff with a 45-day effective date. The Stipulation and Agreement and the order granting the certificate of service authority provided that LDM was to file its proposed tariff within 30 days of the Commission's approval of an interconnection agreement with the underlying local exchange carrier. LDM was to file the proposed tariff in this case and give notice of the filing to all parties and participants in the case. Along with that filing, LDM agreed to provide a written disclosure of all resale agreements it has entered into which affect its Missouri service areas.

This case was held open for the filing of appropriate tariffs. None have been filed. The Commission is unwilling to keep this file open indefinitely. Pursuant to 4 CSR 240-2.116, the Commission may dismiss a case if no action has taken place for 90 days. Therefore, this file will be closed. The closing of this file will not prevent

LDM from filing proposed tariffs in the future, nor will it affect the validity of its certificate of service authority. When LDM does file a proposed tariff as contemplated by the Order Granting Certificate to Provide Basic Local Telecommunications Services, it will be assigned a new case number.

**IT IS THEREFORE ORDERED:**

1. That when LDM Systems, Inc. files a proposed tariff as contemplated in the Order Granting Certificate to Provide Basic Local Telecommunications Services issued on September 15, 1998, it shall give notice of the tariff filing to all parties and participants in this case. The cover letter for its tariff filing shall note the identity of all parties receiving notice of this filing. Along with that filing, LDM Systems, Inc. shall provide a written disclosure of all resale agreements affecting its Missouri service area to which it is a party.

2. That this order shall become effective on April 15, 1999.

3. That this case may be closed on April 16, 1999.
