3. Applicant is a wholly owned subsidiary of a rural electric cooperative, and the nature of its business is facilitating the deployment of broadband communications in rural areas of Missouri. Applicant and its parent Company have divested all properties, equipment and contracts that would bring its operations under the regulatory requirement to maintain a certificate of service authority.

4. Applicant has no annual report or assessment fees that are overdue.

5. Applicant has no pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which has occurred within three years of this Application.

6. Applicant has no current need for these certificates of service authority. If in the future this changes, Applicant will comply with certification requirements in place at that time.

7. Applicant no longer desires to be certificated by the Commission, no longer desires to have to file annual reports to the Commission when it provides no telecommunications service to the public. Additionally, Applicant no longer desires to file end user retail revenue reports with the Commission for Missouri Universal Service Fund assessment purposes when Applicant has no end user retail revenue to report.

8. For all of the above reasons, Applicant requests that its Certificates of Service Authority be withdrawn and or cancelled.

9. Applicant also respectfully requests that the Commission withdraw and cancel all of its tariffs for the provision of telecommunications service within the State of Missouri.

10. The withdrawal and cancellation of Applicant's certificates and tariffs will have no adverse impact on the public interest as Applicant provides no service to any member of the public pursuant thereto. Accordingly, no customer notifications are being sent.

WHEREFORE, Applicant Ozark Technologies, L.L.C. respectfully requests that the Missouri Public Service Commission grant the withdrawal and or cancellation of all of Applicant's Certificates of Service Authority, and also to cancel all of its tariffs, on file with the Missouri Public Service Commission, together with such other and further relief as is necessary or convenient to affording the relief herein requested.

Respectfully submitted,

By
