SHOW CAUSE ORDER

All of the above-captioned cases involve tariffs suspended at the request of the Staff of the Missouri Public Service Commission. All of the cases involve the same issue of law: Whether the local telephone companies (Applicants) involved are allowed to amend their tariffs so that they can apply their switched access rates to traffic originating on a commercial mobile radio service that terminates in their territory.

At the prehearing conference held April 29, 1999, the parties attending agreed that there are no disputed facts.

Thus on May 11, 1999, the Commission entered its *Order Consolidating Cases and Extending Date of Filing of Procedural Schedule* (order consolidating). In its order consolidating, the Commission ordered that the procedural schedule be filed no later than May 21, 1999. As of the issue date of this order, no procedural schedule has been filed.

Therefore, the Commission will order that the Applicants explain why they have not complied with the Commission's order and to show cause why their cases should not be dismissed.

IT IS THEREFORE ORDERED:

1. That within 10 (ten) days of the effective date of this order, the Applicants shall explain why they have not complied with the Commission's order and show cause why their cases should not be dismissed.

2. That this order shall become effective on June 16, 1999.

BY THE COMMISSION
